

Community Benefits Wishlist – Completed Projects

(as of 26/07/2024)

Dumfries and Galloway Council is committed to securing community benefits from all contracts wherever possible and will require successful suppliers to work with us, as part of the delivery of the services, in transforming the community in a real and sustainable manner.

The Community Benefits Wishlist includes requests for support from local community groups ranging from donations and sponsorship to volunteering and work experience opportunities. Tenderers are encouraged to offer meeting these needs through their community benefits proposals within their tender offers.

Below are wishes from The Community Benefits Wishlist that have been delivered by Suppliers to date.
