

Delivery of the Council Plan 2024–2025

Council Plan on a Page

VISION: Our ambition is to be a **successful region**, with a **growing economy**, based on **fairness, opportunity** and **quality public services**, where all citizens prosper. Working in partnership, with **connected, healthy** and **sustainable communities**.

The region will be **the natural place to live, work, visit and invest**.

Principles

Safeguard our future

- Address the climate emergency
- Protect our natural capital

Support our citizens

- Put customers at the heart of services
- Support the most vulnerable and in need
- Address inequalities
- Offer digital services

Support our communities

- Empowering communities and individuals
- Work in partnership
- Focus on local and place
- Invest to enable change

Be a responsive Council

- Communicate openly
- Maintain high standards
- Maintain sustainable finances
- Make best use of resources
- Be organised to deliver

Themes and Strategic Outcomes

Economy

- There is a diversified and growing local economy that benefits all
- Our workforce and their skills base are growing
- Rural communities and places are vibrant and thriving
- Enhancing the region's natural capital benefits local communities and businesses
- Businesses are supported to start and grow
- Investment in the region benefits communities and the local economy

Travel, Connectivity and Infrastructure

- Roads, paths, cycling and walking networks in the region are improved
- Communities are protected from the impact of floods
- Sustainable travel in the region contributes to net zero²
- The Council is a low carbon organisation
- People have access to services that are modern, efficient and responsive
- Digital connectivity supports thriving rural communities

Education and learning

- Places of learning are inclusive, sustainable and meet the needs of local communities
- We get it right for every child
- Children, young people and adults transition successfully through all life stages
- Young people and adults succeed in what they want to achieve
- Participation in creativity and play is part of early and lifelong learning experiences
- Local people can build their skills and confidence

Health and Wellbeing

- Prevention and early intervention assist people to have independent lives
- Access to personal support and care helps keep people safe
- People are active, resilient and improving their health and wellbeing
- Help is provided to tackle the causes and effects of poverty, inequality and increased cost of living
- People have access to high quality, affordable housing that supports their independence, prosperity and wellbeing

Delivering the Council Plan

The Council Plan outlines the themes and strategic outcomes we aim to achieve between 2023 and 2028.

At the start of every financial year the Council produces an action plan. This is the second action plan. You can review the delivery of the 2023/24 plan <<[here](#)>>

KEY to the actions:

NEXT PHASE: actions have progressed in the previous years plan with further work required to complete

CARRY FORWARD: work has progressed in previous plan but not yet complete

NEW: new action

This action plan sets out how the Council intends to achieve its **strategic outcomes** in 2024–2025.

The action plan will be published on the Council's website.

Theme: ECONOMY

Strategic Outcome 1: There is a diversified and growing local economy that benefits all.
