Summary of IA

The Council is required to publish the findings and results of all IAs conducted. The publication should include a summary of the following:

Research and data (section 3)

What was used to assess the impact of the policy and a summary of the findings? Who was involved and consulted during the assessment stage? What were the findings from the consultation and how was this information used to develop the policy?

- Needs assessments
- Health data and trends co-ordinated through Public Health Scotland using the following sources:
 - ScotPHO (Scottish Public Health Observatory): [ScotPHO profiles \(shinyapps.io\)](https://shinyapps.io/scotpho/)
 - NRS (National Records of Scotland): [Statistics & Data | National Records of Scotland \(nrscotland.gov.uk\)](https://statistics.gov.scot/)
 - CPOP (Improvement Service Community Planning Outcomes Profile): [CPOP \(shinyapps.io\)](https://shinyapps.io/cpop/)
 - DWP Stat-Xplore: [Stat-Xplore - Log in \(dwp.gov.uk\)](https://stat-xplore.dwp.gov.uk/)
 - Scottish Government: statistics.gov.scot
- Results of consultations/surveys linked to the development of other key plans/strategies which contribute to the LOIP
- Assessment of key data and intelligence already available (this includes the findings of consultation and engagement work linked to the development of recent plans such as the Regional Economic Strategy, Children's Services Plan and the new Health and Social Care documents "Right care, Right Place.")

	<ul style="list-style-type: none"> • Benchmarking with other Community Planning Partnerships and this includes how their respective Community Planning partnerships operate; their existing LOIP and Locality Plan arrangements; how they engage and involve communities • Most up to date needs assessments (i.e. Children & Young People; Health & Social Care) • Stakeholder Engagement through CP Partners and the Community Planning Stakeholder’s Group including a MS Teams Survey (includes Age Scotland, Carer’s Centre, Inter Faith Group, Disability and other representational groups and Education, Skills, Housing and Environmental agencies, etc) • 2023 - 10,000 voices consultation with Young People (including regional key priorities and localised trends across the 12 Political Wards) • Workshops with Community Planning Partners and leads of Plans/Strategies contributing to the LOIP
<p>Impact Assessment (section 4) From the summary table at number 25 list the impacts.</p>	<p>Positive Impact(s) – 8 (Age, Disability, Sex, Gender reassignment and Transgender, Pregnancy and Maternity, Health & Wellbeing & Health Inequalities, Economic & Social Sustainability and Environmental Sustainability, Climate Change and Energy Management) No Impact(s) – 5 (Marriage and Civil Partnership, Race, Religion or belief, Sexual orientation and Human Rights) Negative Impact(s) – 0</p>
<p>Monitoring and review (section 5) How is the policy to be monitored - how often and by whom?</p>	<p>Quarterly through the Community Planning Senior Leadership Team and Community Planning Partnership Board</p>

Summary of actions arising from the Impact Assessment
