## Welcome from the Head Teacher

Dear Parent / Carer

Borgue Primary is a rural school, partnered with nearby Twynholm Primary, set in the heart of Borgue Village, surrounded by beautiful Galloway countryside. We promote a friendly, welcoming and positive ethos where your child is appreciated as an individual and provided opportunities to grow and develop within an inspiring and secure environment.

This handbook is designed to give you as much information as possible about your child's new school. It cannot replace direct personal contact between school and parents, but we hope it provides an insight into our learning environment.

We hope you find the information useful and look forward to welcoming you to Borgue Primary School.

With Best Wishes,

**J Riley**  
Head Teacher

**For more links and detailed information about how we support parents and work with our schools, please see our [Authority Handbook](#). This also includes a page for financial support for Children and Families.**

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. You can do this by contacting [ParentalInvolvement@dumgal.gov.uk](mailto:ParentalInvolvement@dumgal.gov.uk). At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

## How the School Works

### Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit [www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings](http://www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings)

For organisational purposes, schools are structured into classes. Currently, Borgue has only one class of P1 – P7 children.

For more information please see the [Education Authority Handbook](#)

### Positive Behaviour and Celebrating Success

We aim to provide a safe and enjoyable learning community, where respect for everyone is paramount, and the rights of the child are realised. Positive behaviour and achievement are celebrated through:

**Golden Time** – Each day pupils earn 'Golden Time' leading to a 30 minute reward session on a Friday. 'Golden Time' is earned for demonstrating a positive learning attitude and allowing everyone to enjoy their 'Rights'. For a variety of reasons, children sometimes find it challenging to display a positive attitude. In these circumstances, we will always work with parents to provide support for the child.

**House Points** – We have two houses 'Ross' and 'Brighthouse'. House points are awarded for good behaviour and demonstrating our school values. House Captains, senior pupils, develop their leadership skills by giving short motivational speeches to their House and act as 'role models' for behaviour.

**Pupils of the Week** – Children receive a certificate, linked to one of the Four Capacities; a Confident Individual, an Effective Contributor a Responsible Citizen' or a Successful Learner. This is presented in Assembly each Thursday.

**Stickers and Certificates** – Throughout the week children may receive stickers, stampers or certificates to recognise small areas of personal achievement.

## Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

### Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curriculum Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

### Parentzone Scotland

<https://education.gov.scot/parentzone> information about the Curriculum and how you can be involved in your child's learning.

## How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

## Helping Your Child and Family Learning

Homework provides opportunities for independent study and consolidating classwork. We consider homework important for the following reasons:

- To develop the practice of independent study
- To develop perseverance and self-discipline
- To take learning out of the classroom
- To involve parents/carers in their child's learning
- Plus normally receive weekly reading, spelling and maths homework

Pupils normally receive weekly reading, spelling and maths homework. Reading to and with your child is one of the most valuable home-learning activities both, in the early years and as children move through the school. Similarly, in maths, repetition of addition and subtraction facts and times table practice supports progress in numeracy. All children are provided with a homework diary, to keep parents informed of tasks set. We kindly request that parents check and sign the diary on completion of homework. Additionally, we provided reading/ homework bags in Primary One.

Throughout the year, opportunities are provided to discuss your child's progress. This may be through informal discussion with the teacher, Parents' Nights/ Learning Conversations, Formal reports or Children's Planning meetings with other agencies.

## Support for All

### Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at [www.dumgal.gov.uk](http://www.dumgal.gov.uk) and on page 18 of our [Education Authority Handbook](#)

### Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at [www.dumgal.gov.uk/girfec](http://www.dumgal.gov.uk/girfec) and on page 20 of our [Education Authority Handbook](#)

### Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

### Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

### School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at [www.dumgal.gov.uk/schools](http://www.dumgal.gov.uk/schools)

### Borgue and Twynholm Partnership School Improvement Plan 2023 -24

A Standards & Quality Report is published each June, providing all stakeholders with a comprehensive summary of the school's work and children's achievements.

Also in June, we publish a School Improvement Plan which outlines the key priorities for the school during the year ahead.

Current priorities include:

- To develop a consistent and progressive approach to the teaching of reading and number
- To improve the knowledge and understanding of inclusive, nurturing practice and the Rights Respecting Schools Agenda
- To improve staff confidence and expertise in the use of digital technology

## Health and Safety

### Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

### Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

### Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

[www.dumgal.gov.uk/article/15240/Emergency-school-closures](http://www.dumgal.gov.uk/article/15240/Emergency-school-closures)

### Data Protection

Information on how the Council uses personal data is available at [www.dumgal.gov.uk/article/15129/Data-protection](http://www.dumgal.gov.uk/article/15129/Data-protection) and [www.dumgal.gov.uk/privacy](http://www.dumgal.gov.uk/privacy)

### ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

### Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
