Contact Us

The school welcomes suggestions and enquiries from parents and carers.

If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

If you have a comment or concern

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can Ask us to Look Again. You can do this by contacting EducationSupport@dumgal.gov.uk. At this point an Officer will contact you and discuss the issue and share directly with you the outcome of this work.

How the School Works

Class Organisation

At Dalbeattie Primary we place children in classes according to their age although there may be times of exception with regards additional support needs. In Primary 1 classes are limited to 25 pupils. P2-P3 classes can accommodate up to 30 pupils. P4-P7 can accommodate up to 33 pupils. Should we have a composite class, this is never more than 25. The school currently has 10 classes.

Positive Behaviour and Celebrating Success

We all want to enjoy our time at school, so we ask everyone in Dalbeattie Primary to always set a good example by:

- Showing respect to everyone at all times.
- Be friendly and helpful, to everyone.
- Showing respect for pupil and school property.
- Looking after each other and never allow bullying, fighting, throwing stones or bad language to occur.
- Remaining within the school grounds and never leaving them without the Head
- Teacher's permission.
- Wearing the school uniform at all times.
- Walking smartly in the corridors and showing good manners especially to visitors.
- Walking away and never reacting in anger or violence.
- Always be truthful.

We celebrate success in and out of school. Within our weekly assemblies we celebrate these successes and celebrate achievements with the whole school. Every week each teacher nominates one pupil from their class as 'The Achiever of the Week' and they receive a certificate at the Assembly. Wider achievement is also celebrated, displayed throughout the school and recorded on the school blog.

School uniform

All Dumfries and Galloway schools have a dress code which encourages pupils to dress in a way appropriate to attendance at school. www.dumgal.gov.uk

We encourage all children to wear the Dalbeattie Primary School uniform. Our uniform consists of:

Curriculum for Excellence

Curriculum for Excellence (CfE) is bringing learning to life in the way education is delivered for all 3-18 year olds – in nursery, primary, secondary, at college, workplace or community learning. It aims to raise standards, improve knowledge and develop skills, closing the gap between the lowest and highest performers. Ultimately it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

At Dalbeattie Primary we follow the Curriculum for Excellence framework. Curriculum for Excellence (CfE) is bringing learning to life in the way education is delivered for all 3-18 year olds. It takes a fresh approach to what, how and where young people learn. It aims to raise standards, improve knowledge and develop skills, closing the gap between the lowest and highest performers. Ultimately it aims to nurture young people as successful learners, confident individuals, effective contributors and responsible citizens.

Home/School Partnership/Parental Involvement and Engagement

Parent Council and Parent Forum

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum. As a member of the Parent Forum, each parent can expect to:

- Receive information about the school and its activities
- Hear about what partnership with parents means in our school
- Be invited to be involved in ways and times that suit you
- Identify issues you want the parent council to work on with the school
- Be asked your opinion by the parent council on issues relating to the school and education it provides
- Work in partnership with staff
- Enjoy taking part in school life in whatever way possible

More information is available at <http://www.dumgal.gov.uk/article/17608/Parental-Involvement>

More information and support for Parents/ Parent Councils is available at <https://connect.scot/>

Homework/Family Learning

At Dalbeattie Primary, homework is perceived as being beneficial for pupils and provides an opportunity for parents to keep some contact with pupil's work and progress. In general, homework is linked to class work but this may not have to be done every day. We ask parents to check their child's Homework Diary on a daily basis.

Areas of the curriculum where homework may be appropriate include:

- Reading
- Spelling
- Number work
- Research into class topics

It should take:

- P1-P2 up to 15mins
- P3-P5 up to 20mins
- P6-P7 up to 30mins

If a pupil has not completed a reasonable amount of work in school, the pupil may be asked to complete the work at home.

How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

There are many things which as a parent you can do to support your child's learning in school: www.dumgal.gov.uk/article/17608/Parental-Involvement

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well. Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Health and Safety

Emergency Procedures

If your child feels ill during the school day and we feel that he/she would be better at home, we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. Please remember that if your child stays in more than one home setting contact details should take account of this.

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
