Why are we collecting your data?

Dumfries and Galloway Council are collecting your data for the reasons/ purposes of:

We are using your name, address, and vehicle registration number so we may safely manage access to the 12 Household Waste Recycling Centres to residents of Dumfries and Galloway.

For the safety of public and staff a booking system is in operation to ensure numbers are managed on site, thus maintaining social distancing, and avoiding queuing traffic on adjacent roads networks.

This allows our staff to ensure that those booking a time to attend a Council household waste recycling centre can access the facility.

We record your email address so we may send you a booking diary entry that can be added to your mobile or computer diary.

We take your phone number so that if there is a problem with a HWRC for which you have a booking e.g. unplanned site closure, we can contact you. We may also call you if we identify inappropriate use of your address i.e. someone registering a vehicle to your property.

What personal information are we collecting from you?

Dumfries and Galloway Council need to collect the following information from you:

- Email address
- Car registration
- Postcode
- Name
- Phone Number

What is the legal basis for collecting your data?

We provide these services to you as part of our statutory function as your local authority. Processing your personal information is necessary for the performance of a task carried out in the public interest by the council.

If the data we collect is a statutory, contractual requirement or necessary to enter a contract, if you do not provide your personal details the following may happen:

If we do not receive the information required on the application, we will be unable to guarantee you access to one of our HWRCs.

What will we do with your information?

Once the data is collected, we will process the information by adding your details to database of users of HWRCs.

The name, address and postcode of the eligible applicants will be used to understand usage of the facilities and distances public travel, etc. to better inform services and times offered at each of the 12 sites.

We will generally comply with requests for specific information from other regulatory and law enforcement bodies where this is necessary and appropriate. Your information is also analysed internally to help us improve our services.

How long will your data be stored in the Council?

We will retain your information for 1 year from the time you book a slot at an HWRC.

If you chose to accept your email address being stored for the sharing of information regarding the waste service, we will retain your data for 5 years before confirming that it is ok to keep your email address.

This is in line with our Dumfries and Galloway Council Record Retention Schedules.

How will we secure your data?
