

Community Benefits Wishlist

(as of 02/06/2023)

Dumfries and Galloway Council is committed to securing community benefits from all contracts wherever possible and will require successful suppliers to work with us, as part of the delivery of the services, in transforming the community in a real and sustainable manner.

The Community Benefits (CB) Wishlist includes requests for support from local community groups ranging from donations and sponsorship to volunteering and work experience opportunities. Each Community Group can submit up to 3 wishes.

Tenderers are encouraged to offer meeting these needs through their community benefits proposals within their tender offers.

Below is a list of the benefit requests from the community groups and organisations. The list will be updated monthly via the website, if you are a supplier/contractor and require further information on the wishes listed below, please email Community.Benefits@dumgal.gov.uk.
